

## Virtual, Global Secure Practice

GoToRoom makes meeting with clients a breeze - whether locally or globally. Your clients will love the flexibility to meet securely and confidentially online.

## Reduce Billable Leakage

Never miss another billable hour. Automatically track every communication, ensuring billable activities are accurately recorded.

## True Mobility

Make and take client calls on your mobile device wherever you go without handing out your private number. Engage with your clients quickly and easily and record conversations

## Secure Comms

Easily communicate with co-workers and clients via texts, calls, and video. Track every billable conversation and protect personal info and sensitive matters.

## Virtual Office / Presence

Work from anywhere on nearly any device with solutions like GoToMeeting. Be productive regardless of your location. Whether on the road, in the office, or at home, you can run your practice professionally and confidently.

## Risk Mitigation & Compliance

We understand what compliance looks like - that's why we provide you with an encrypted service for all your private and sensitive matters and communications. Mitigate malpractice suits. Keep timely records and communications.

## Take Control of Your Work-Life Balance

LogMeIn delivers simple yet powerful communication systems that make it easy to work from anywhere. Simplify your practice with modern communication tools and improve your client's experience. Never miss another billable hour again.
